A B O U T

Welcome to the Hirschen.
Our lunch menu is designed for pleasure. Come in on a whim, linger if you like, or simply pass through. And do come back. In walking boots, bike jersey or a tie.

If you would like to enjoy a longer lunch with friends, fellow food lovers or your eighty-year-old mother, we are happy to prepare a more generous culinary experience at lunchtime by prior arrangement.

As you may already know, we are always happy to advise you on allergens, the weather forecast and the region's well-known local weather lore.
